Better at Home

Better at Home is a program that values independence and healthy aging.

Better at Home coordinates screened volunteers and paid contractors to assist seniors with:

- Transportation Services
- Friendly Visiting
- Minor Home Repairs
- Light Housekeeping Services

Better at Home is a community initiative managed by the United Way of the Lower Mainland and funded by the Government of British Columbia. Better at Home offers supplemental, non-medical services subsidized on a sliding scale determined by annual income.

Eligibility: If you are age 65 or older, residing in Chilliwack, Agassiz, or Harrison you may be eligible for services. Priority will be given to those who have mobility challenges.
