Chilliwack Community Services

Services for Immigrants

English Language Classes for Adults

- Free English instruction in morning and evening classes, September to June for immigrants 17 years and older. Application and assessment required
- Child care for morning classes, ages 0 to 5 years
- Drop-in English practice twice weekly

Settlement Services

- Information, referrals, support, and assistance to settle successfully in the community
- Assistance completing forms and applications, eg. medical care card, driver license, social insurance number, citizenship, passport
- Regular orientation sessions on settlement topics including housing, health care, education, banking, recreation, and leisure activities
- Workshops: computer skills, citizenship, and driving test preparation
- Field trips to local community amenities, including library, health, education, recreation, and cultural facilities
- Job search
- Interpretation and translation services available in more than fifteen languages

Settlement Workers in Schools (SWIS)

- Connect families to services and resources in schools and the community
- Make sure newcomer students are comfortable in their schools and that all their needs are being met
- Help with communication between school and home
- Deliver information sessions regarding the school system and life in Canada
