Dear Meals on Wheels Client,

As of July 1, 2022 Meals on Wheels will be changing food service providers. Moving forward from that date, your meals will be offered to you by Elite Foods. After a thorough search for a new service provider, Chilliwack Community Services is confident that Elite Foods can provide you with consistently delicious and nutritious meals. They have been doing business in the community of Chilliwack for over thirteen years, successfully providing meals to other Meals on Wheels programs, as well as Veterans Affairs programs during that time. We are asking for your patience and understanding as we work to adapt the program to accommodate our new provider. The new menu looks a little different and a copy is attached here for your review.

Please note, that some of the changes you should be aware of are:

- Meals (fresh and frozen) will increase from \$8.00 per entrée, to \$8.50 per entrée and will include a soup
- There will be optional “add on” menu items for you to enjoy if you choose to purchase them
- Frozen meals will now be delivered on Thursdays and the meals will be casserole style (14 oz) and served with soup.

We would like to acknowledge and thank Cookies Grill, who provided meals for the program for over ten years.

We welcome your feedback on our new meal provider at any time. If you have questions or concerns regarding any of the above information, please contact the program coordinator.

Sincerely,
Jen Sibley, Meals on Wheels program coordinator
