Child Care Resource & Referral

Your community's BEST source of child care information and resources.

Services to Child Care Providers:

Information, support and training for child care providers.

- Start up and operating information
- Information on liability insurance
- Workshops and networking opportunities
- Supportive home visits
- Access to a resource library, including infant/toddler equipment, theme boxes, books and toys
- Access to newsletters
- Listing on a registry of child care providers
- Registration of license-not-required child care providers

Services to Parents:

Help to find child care to best meet the unique needs of each family.

- Referrals to local child care providers
- Information on the types of child care available in the community
- Access to newsletters
- Access to workshops
- Information about other community resources

Affordable Child Care Benefit

CCRR staff can assist parents in accessing and completing application forms.
